

# Hands-on Healthcare Career Training

At **Integrity College of Health**, we specialize in training entry level healthcare professionals. Our college is designed for those who would like to start a career in healthcare in a relaxed, family-like environment. Our classes are small with hands-on training.

Our student's motto is "**Education with Integrity.**"

Integrity College of Health was established in 2007.

We are a private institution for Continuing Education approved to operate by the Bureau of Private Postsecondary Education (BPPE) and the Bureau for Vocational Nursing and Psychiatric Technicians (BVNPT).

Integrity College of Health maintains accreditation through the Accrediting Bureau of Health Education Schools (ABHES). ABHES is an accrediting agency recognized by the United States Department of Education.

# YOUR TIME IS NOW TO GET TRAINED FOR A GREAT CAREER

## Training only takes months. What are you waiting for?

*Integrity College of Health offers hands-on, healthcare training in an industry that is growing. According to the US Bureau of Labor Statistics, employment of healthcare occupations is projected to grow 18 percent from 2016 to 2026, much faster than the average for all occupations, adding about 2.4 million new jobs. You can be part of it all by starting your training now.*

### CHOOSE A CAREER TRAINING PROGRAM THAT WORKS FOR YOU

#### Vocational Nursing Program

If you are compassionate and love helping others, Vocational Nursing may be perfect for you.

As a Licensed Vocational Nurse (LVN), you will be part of a healthcare delivery team, providing basic nursing care, administering medications, and noting a patient's signs and symptoms. LVNs care for people who are sick, injured, convalescent, or disabled under the support direction of physicians and registered nurses.

Diploma program is 60 weeks, full-time, to complete. Graduates are prepared for NCLEX-PN exam.

#### Medical Assisting Program

If you want to enter the healthcare industry, Medical Assisting is a great way to begin.

Medical Assistants are multi-skilled health professionals who perform a wide range of roles in physician's offices and other health care settings. Duties vary, however Medical Assistants typically take vital signs, medical histories, assist the physician or nurse during patient examinations, and arrange for laboratory services.

Diploma program is only 7.5 months and enrollment is continuous, beginning every 2 weeks.

#### EMT Recert Course

Integrity College of Health offers the EMT Recertification courses that will qualify the EMT-Basic Certified student to obtain all required 24 continuing education units for the continuous renewal of the EMT-Basic Recert required by the County of Los Angeles EMS Agency and the State of California; Provider number 19-0726.
