

BECOME A MEDICAL ASSISTANT

Training only takes months

Medical Assisting is a great way to begin a career in healthcare. Job growth is strong.

Medical Assistants employment is projected to grow 23% from 2018 to 2028*, much faster than the average for all occupations.

Medical Assistants are multi-skilled health professionals who perform a wide range of roles in physician's offices and other health care settings.

Duties vary, but Medical Assistants typically take vital signs and medical histories, assist the physician or nurse during patient examinations, arrange for laboratory services.

Accreditation & Approval

Integrity College of Health is Institutionally accredited by the Accrediting Bureau of Health Education Schools (ABHES) and approved by BPPE (Bureau for Private Postsecondary Education).

*According to the US Bureau of Labor Statistics: www.bls.gov
